

DIETARY SUPPLEMENTS | ACTIVE INGREDIENT

Sepibliss™

Inner beauty shield

Eco-designed & patented coriander
seed oil for skin multiprotection

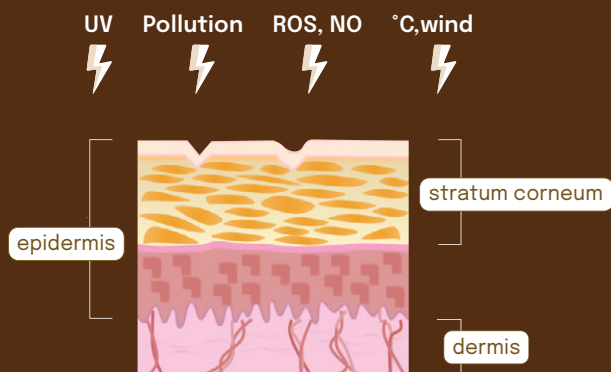

SEPPIC
SCIENCE THAT CARES

Sepiblist™

Inner beauty shield

Negative impact of daily aggression on the skin

Our skin is constantly exposed to environmental and endogenous stressors which can disturb its homeostasis, triggering skin hyperreactivity, unpleasant clinical manifestations and premature aging^{1,2}.

INFLAMMATION

Release of pro-inflammatory mediators (e.g. cytokines):

- » Heat
- » Redness
- » Pain

NEUROSENSORY DYSFUNCTION

Activation of pain receptors in skin nerve fibers:

- » Pain
- » Burning
- » Itching/Stinging

OXIDATION

Production of reactive oxygen species (ROS):

- » Skin damage
- » Inflammation

SKIN PROTEINS AND BARRIER DAMAGE

Reduction of skin moisture and damage of skin proteins (elastin & collagen):

- » ↓ elasticity
- » ↗ wrinkles

Clinically demonstrated efficacy¹

80 healthy women
with reactive skin
from 18 to 65 years old

200 mg/day
Sepibliss™
or Placebo

56 days
Evaluation

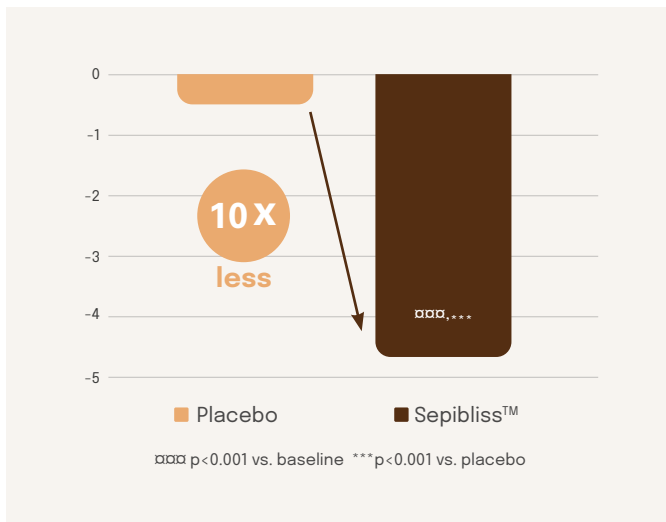

Sepibliss™ helps enhance skin comfort and balance

Sepibliss™ preserves skin resilience by reducing itching/stinging sensations and skin redness induced by stressors after 2 weeks of intake.

Sepibliss™ protects the skin from UV exposure

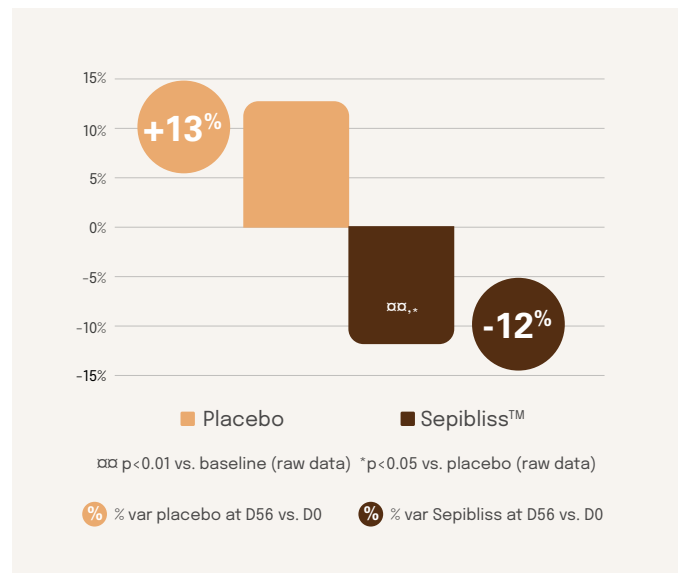

Sepibliss™ significantly reduced UV-induced erythema after 56 days of intake.

EVOLUTION OF ITCHING/STINGING INTEGRATIVE SCORE* BETWEEN D14 AND D0

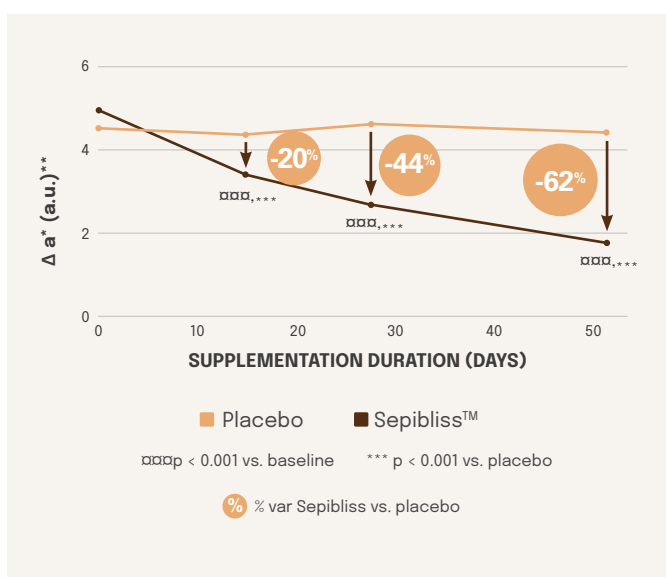

*Itching/stinging integrative score reflects both itching/stinging sensations intensity and duration after exposure to chemical stressor

ERYTHEMA INDEX (% VARIATION VS.D0)

EVOLUTION OF SKIN REDNESS

** a: redness measure with a colorimeter
Δ (a*): a* (after stripping) - a* (before stripping)

Consumers are satisfied with Sepibliss™

Self-assessment questionnaire results

92.5%

found their skin less reactive against external aggression

80%

feel better in their daily life after taking Sepibliss™

92.5%

feel an overall improvement of skin relief

A versatile ingredient for different finished product concepts

Recommended claims*

Sepibliss™ contains coriander which has a pending health claim "helps keep the skin cool" (EFSA ID 2036)

Sepibliss™

- » Supports skin appearance
- » Supports skin resilience
- » Helps the skin cope with environmental challenges

Sepibliss™

- » Helps enhance skin comfort
- » Helps reduce skin redness
- » Helps reduce UV-induced erythema after 56 days
- » Helps reduce skin inflammation

Applications:

anti-pollution
 solar protection
 clean skin
 skin relief
 wellbeing

In&Out - in association with cosmetic grade (Sepibliss™ Feel)
